To all key stakeholders of the Adrenaline Show

ADRENALINE SHOW 2018

Riding on the successes of the 2016 and 2017 Airlink Adrenaline Shows, we were hard at work over the past year to plan for the 2018 Show. However, we regret to announce that the permission to hold the 2018 Show at Wonderboom National Airport has not yet been received. Due to the lack of sufficient time and resources needed to co-ordinate numerous activities, and guarantee yet another award-winning aviation and motorsport experience, we cannot continue with the 2018 Show.

We look forward to continuing our relationship as we focus our attention towards 2019. You can expect to hear from us shortly about further developments and future arrangements.

With best wishes

Christian Maiorana
